

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Oriti, Reg. No. 47,835 on 7/15/09.

The application has been amended as follows:

Claims 33-56 are cancelled.

***Oath/Declaration***

2. This application presents a claim for subject matter not originally claimed or embraced in the statement of the invention. Independent claim 1 now recites "receiving in the sender device, a service document of the at least one alternate display device; generating in the sender device, a ticket that provides information on a) how to connect to the sender device and b) which one amongst a plurality of projection modes is to be used". This subject matter was no originally claim nor is it found in the statement of the invention (summary). A supplemental oath or declaration is required under 37 CFR 1.67. The new oath or declaration must properly identify the application of which it is to form a part, preferably by application number and filing date in the body of the oath or declaration. See MPEP §§ 602.01 and 602.02.
